EDEN

Concentrated Deodorizer

Apple Blossom

Eden Apple Blossom Deodorizer a proprietary blend of, deodorizing agents and odor modifiers which break down the molecular structures of odor-causing substances. This product removes odors caused by urine, vomit, feces, blood, mildew, decaying food, and other organic matter. Eden contains a new cutting edge technology that actually modifies the molecular structure and neutralizes odors.

EXCELLENT FOR: Household areas such as kitchens, rest rooms, laundry rooms, drains, pet areas, etc. Eden can also be used at Hotels, Motels, Restaurants, Carpet Cleaning, Dog and Cat Kennels, Decay, Decomposition, Trash cans, Disposal Trucks, Sewage Plants, Composts, Rendering Plants, etc.

Directions

Dilute at a rate of 4 to 8 oz of Eden per gallon of water or 1 to 2 oz per trigger spray bottle. This product can be used on fabric surfaces such as upholstered furniture and carpeting. Use sparingly. Spray lightly wherever offensive odors are to be controlled.

For outdoor areas such as garbage dumps, sludge beds, incinerator pits, etc. spray over the entire area. Use sparingly. Amount to be used varies with the intensity of the malodor. In refuse cans, garbage containers, truck beds, etc., spray before filling with debris. For best results also spray around the sides and over the contents.

Caution Statements

This is a non-hazardous product. It is intended for odor neutralizing only. If used as directed, it exhibits no unusual safety precautions. Always read the Material Safety Data Sheet for additional precautions before using this product.

Physical Properties

Appearance: Green Liquid
Specific Gravity: 1.0185
Odor: Apple Blossom
pH (Conc.): 5-7
Flash Point: N/A (Water-Based Liquid)

Packaging

This product is available in 4X1 gallon cases, 5 gallon pails, and 55 gallon drums.
